8110 ATTENDANCE AREAS

The Board of Education has established that Piermont Road, River Vale, New Jersey will serve as the line of demarcation for children attending the two elementary schools - Roberge and Woodside.

Those children residing south of and including Piermont Road with house numbers on Rivervale Road of 426 or below will attend the Roberge School.

Those children residing north of Piermont Road with house numbers on Rivervale Road of 427 or above will attend the Woodside School.

Pupils Moving within River Vale

A pupil who moves to a different part of town must enroll in the school served by the attendance area as defined in this policy. Pupils moving within the River Vale School District during the fourth grade have the option of continuing in their current school during grade five. However, parent(s) or legal guardian(s) will be responsible for any/all transportation.

Parent(s) or legal guardian(s) must inform the Superintendent of Schools in writing, if they wish to attend the school which is outside of the school attendance area as defined by this policy.

Pupil Decisions Regarding Attendance Areas

The Superintendent will review, on an individual basis, requests based on circumstances beyond the parent(s) or legal guardian(s) control. Parents may appeal the Superintendent's decision to the Board of Education.

The Board of Education reserves the right to review, on an individual basis, requests based on circumstances beyond the parent(s) or legal guardian(s) control.
