R8690 MONITORING DEVICES ON SCHOOL VEHICLES

Recording and Notice

1. In order to maintain a safe and secure environment for all pupils transported on school vehicles the: School Business Administrator/Board Secretary may cause recording devices to be installed in any district owned or contracted vehicles and activated at specific times.
2. Monitoring devices may include sound video cameras, audio recording devices and other appropriate devices.
3. Pupils and drivers will not be notified when a recording device is “on board” and in use on district vehicles.
4. Each school vehicle shall have a sign, prominently displayed stating that: “Video and/or audio monitoring devices are used on school district owned and contracted vehicles and this vehicle may be monitored at any time.”
5. Recordings may be used to monitor and observe the behavior of pupils, teaching and support staff members and the vehicle operator.

Pupil Records and Notice

1. School district personnel will comply with provisions of law regarding pupil records requirements including the Family Education and Privacy Act and the Individual with Disabilities Education Act as applicable in the district’s use of video recordings. Video recordings considered for retention as a part of the pupil’s behavioral record will be maintained in accordance with established pupil record procedures governing access, review and release of pupil records.
2. The school district personnel will include annual notice in parent/pupil handbooks that monitoring devices may be used on school transportation vehicles transporting pupils to and from curricular and co-curricular activities.

Staff Records and Notice

1. Recordings considered for retention as part of the employee’s personnel record will be maintained in accordance with established Board personnel policies,

administrative regulations and labor agreements governing access, review and release of employee personnel records.

2. The district will include notice to personnel that monitoring devices may be used on school transportation vehicles transporting pupils to and from curricular and/or co-curricular activities.
3. Staff will not be notified when a video camera is “on board” and in use on district vehicles.

Storage/Security

1. All recordings will be stored by the: School Business Administrator/Board Secretary and secured to ensure confidentiality.
2. Recordings will be stored for sixty school days after initial recording, whereupon such recordings will be released and erased, unless there is an incident pending resolution.
3. Recordings held for review of pupil or staff incident will be maintained in their original form pending resolution. The recording media will then be either released for erasure or retained as necessary as a part of the pupil’s behavioral record and/or employee’s personnel record in accordance with the established district procedures.

Use

1. The decision to activate recording devices on specific vehicles and at specific times shall be made by the: School Business Administrator/Board Secretary.
2. Monitoring devices will be used on school transportation vehicles transporting pupils to and from curricular or extracurricular activities on a rotational basis at the discretion of the: School Business Administrator/Board Secretary.
3. Staff and pupils are prohibited from tampering with or otherwise interfering with recording equipment. Any individual found tampering with equipment shall be subject to discipline.
